 - B. DA PAM 600-35, Relationships between Soldiers of Different Rank
 - C. TRADOC Regulation 350-6
1. The purpose of this memorandum is to state the policy on standards of conduct for Permanent Party, MOS-I, and MOS-T Soldiers' relationships while assigned or attached to the 15th Regimental Signal Brigade.
 2. MOS-T Soldiers are defined as permanent party and subject to all regulatory guidance specified for permanent party personnel.
 3. Permanent party relationships with MOS-I Soldiers are forbidden, except those related to the training mission. These relationships will be strictly professional. Relationships between Soldiers of different rank, gender or assignment status that involve, or give the appearance of partiality, preferential treatment, or improper use of rank or position for personal gain are prejudicial to good order, discipline, and high unit morale. DA Pam 600-35, Drill Sergeant – IET Soldier/Officer – Trainee (Family Relationships), para 2-7 and 2-8, outlines prohibited practices for permanent party personnel and student/trainee personnel.
 4. MOS-T Soldiers may be used to augment cadre in providing supervision for MOS-I Soldiers. They are allowed to use initiative and authority, commensurate with their position, experience, and ability while under cadre supervision. All commanders will ensure the prohibitions set forth in AR600-20, para. 4-14 and 4-15 are known by all members of their commands, and strictly enforced.
 5. The following acts, conduct, and/or relationships are strictly prohibited between any cadre member or MOS-T Soldier and MOS-I Soldiers:
 - a. Intimate physical contact promoting personal interests or participation in any form of sexual activity, including any form or variation of sexual foreplay and/or intercourse.
